

Deltek Mobile Time™

A BlackBerry®-enabled Application

For Mobile Professionals Using Deltek Time Collection™

Key features:

- Anywhere, Anytime
Access to Deltek Time Collection
- Easy Installation
- Simple Navigation
- Interchangeable with
Deltek Time Collection,
No Syncing Required

Key benefits:

- Reduces Reporting
Inaccuracies
- Improves Employee
and Manager
Productivity
- Ensures DCAA
Compliance
- Lowers Days Sales
Outstanding (DSO)
- Reduces Payroll and
Billing Costs

Deltek's BlackBerry application allows mobile professionals using Deltek Time Collection to manage timesheets while on-the-go. Deltek Mobile Time is completely interchangeable with Deltek Time Collection on your desktop, making transitions from one application to another hassle-free – with no syncing required!

Deltek Mobile Time allows users to do the following actions from their cellular device:

- Submit Timesheets – Employees can electronically submit and sign timesheets from their BlackBerry.
- Approve and Reject Timesheets – Supervisors can review and approve/reject their employee's labor activity.
- View Timesheets – Employees can view their labor activity for any of their timesheets. This includes viewing the activity by charge (Project, Account, etc.) along with viewing the data by day, payroll week and timesheet period, as well as activity by regular time and overtime. Supervisors can view their own time, with the additional ability to view their direct reports timesheets.

- Record Timesheets – The system allows employees to record their activity in real-time with instant validation.
- Update Timesheets – Employees can revise current labor activity and have full audit trail capabilities.

Seamless Connection to Deltek Time Collection

Deltek Mobile Time, an add-on product for Time Collection users, works in unison with Deltek Time Collection 8.3 or higher – so you can switch between your mobile device and your desktop without syncing.

The robust interface of Deltek Time Collection offers a wide array of functionality that improves managerial decision making, reduces employee administrative time, and helps organizations comply with government regulations.

Anytime, Anywhere Access

Deltek Mobile Time solution improves employee and manager productivity through on-the-go time collection processes for remote and field employees. By taking your timesheet mobile, Deltek's new BlackBerry application enables you to reduce reporting inaccuracies, tighten compliance control, lower Days Sales Outstanding and trim down payroll and billing costs.
